Town Board Meeting Town of Bergen February 14, 2017

Audit of the bills 6:45pm, Call to Order 7:00pm.

Prayer Almighty God, grant us wisdom that we may remember as we work, that we are servants of our constituency and all our decisions should be in the best interests of the Town and its citizens, entirely unblemished by any thoughts of personal benefit. Bless us with tolerance and understanding for opinions differing from our own and help us keep an open mind in gathering information before voting on all issues. Help us overcome any ignorance of our duties and enable us to learn more of the intricacies of the roles we have assumed. May we rest assured to know You are with us and will guide us through all we do. Amen. Pledge to the flag

Subject: Salute to OUR First Responders

Good Afternoon,

Have you ever needed help? Has a family member? Who did you call? Police? Firemen? Ambulance? And if you have, they came. Along with volunteers. They all came, to help. And they go to everyone that calls, every single time. In the middle of the night, in the early morning hours, during regular working hours and yes, even holidays. They are there when we need them. 24 hours a days, 7 days a week, 365 days a year. Days when they would rather be home safe and warm with their families....but they never deny a call for help, they always come.

The Daily News and Staff respect and appreciate all that our First Responders do for us and our communities every day. And we also understand that sometimes in the regular, everyday life, we sometimes take for granted our Heroes. That is why we have created an annual publication to pay tribute to the brave men and women that serve us everyday. To say Thank you, to recognize those in our communities that come when we call, when we need them or when our loved ones need them.

Please take a minute to review the flyer and a few pages from lasts years publication and consider placing and ad in this valuable special section. This is one of my favorite publications that we do with in the year as we highlight all of the responding agencies across the 3 counties. It has become very popular and we are fortunate to be able to honor all of our emergency service provides.

Please let me know if you have any questions or if you would like me to meet with you to discuss ad size. As always we have an award winning art department that can design a beautiful ad for you!

I look forward to seeing you in this publication!

Thank you,

Jennifer

February 1, 2017

As you may already be aware, the Association of Towns sent a letter to our members on Jan. 11, 2017 letting you know about the Governor's plan to require counties to develop new, voter-approved efficiency plans. Since then, the Executive Budget was released, and the news is not good. The Governor is attempting to make AIM funding contingent upon the Legislature's approval of the aforementioned proposed efficiency mandate, meaning that if the Legislature does not pass the budget with the Governor's new "Countywide Shared Services Property Tax Savings Plans," New York towns, villages and cities will not receive AIM funding at all.

The Association of Towns will not stand idly by when faced with proposals that undermine local representative democracy, threaten home rule and continue to use towns as a scapegoat for high property taxes in New York. On Jan. 30, 2017, we testified before parts of the state Legislature to emphatically oppose the parts of the proposed Executive Budget that we believe are harmful to town governments. I was honored to be joined by Rebecca Haines, Town Clerk, Town of Ellery, William Moehle, Town Supervisor, Town of Brighton, and Edmond Theobald, Town Supervisor, Town of Manlius. They were able to use their firsthand experiences as leaders of their towns to show the Legislature that towns *already* work together efficiently to bring a high level of service to residents.

We simply cannot allow the Governor to hold AIM funding hostage, nor can towns rely on the good will of counties to do what is best for town government. A Jan. 25, 2017 editorial in the *Schenetady Daily Gazette* discussed tying AIM to consolidation and said "The Legislature should cross that line out of the budget before the ink dries, or face a revolt like they've never seen. Make sure your local representative in the Assembly and the Senate knows how you feel." We also urge you contact your representatives. Use a web site like www.openstates.org to find your state representative's contact information. We will also have petitions at our Annual Meeting and Training School February 19-22, 2017 opposing the proposal. Additionally, along with New York Conference of Mayors Executive Director Peter Baynes, I will be hosting a session at the Annual Meeting on the Governor's plan and its potential affect on local government, and we want to hear from you. If you would like to take advantage of our negotiated hotel room rate, please call 1(877)303-0104 or book at https://resweb.passkey.com/go/AOT2017 by Feb. 7, 2017. On-site registration will also be available.

Let's remind the state Legislature and Governor of the importance and value of towns and home rule. Do not hesitate to contact our office with any questions, and let us know the feedback you get from your representatives. We are here to fight for you, and we are proud of the work towns do.

Sincerely,

Gerry Geist, Executive Director

Donald Cunningham Town Supervisor PO Box 249 Bergen, NY 14416

Dear Judge Cunningham:

Section 110 of the Agriculture and Markets Law requires municipalities issuing dog licenses to assess a surcharge to the licensing fee of at least one dollar for altered dogs and three dollars for unaltered dogs. Pursuant to section 97-xx of the State Finance law, these moneys are to be deposited to a dedicated fund utilized solely for animal population control efforts and must be remitted to the Commissioner of the Department of Agriculture and Markets (Department).

Our Internal Audit Office has completed a preliminary review of the monies being submitted to the Department for the Animal Population Control Program, and has identified some instances where municipalities may have not remitted the required surcharges.

We ask that you review your records and make sure required surcharges collected through December 31, 2016 have been remitted to the Department by March 31, 2017. Checks and the corresponding forms can be sent to the following address:

NYS Department of Agriculture and Markets Spay & Neuter PO BOX 975 Albany, NY 12201-09

Our fillable form can be found at: http://www.agriculture.ny.gov/AI/small-animals/Animal_Population_Control_Fund.pdf

If submitting fees for prior years, please identify the year and month for which the monies are being submitted on the form.

Please feel free to contact our office with any questions you may have.

Sincerely,

Adam Roberts

Director of Internal Audit

Town of BERGEN HISTORIAN ANNUAL REPORT 2016

BERGEN HISTORIAN - ANNUAL REPORT - 2016

MUSEUM AND FACILITY REPAIRS/PROGRESS:

The Harford Museum upper level is in the continuing stages of upgrading to properly accommodate the former Stone Church collection. This will only include the "rustic" or agricultural part of the collection. All other artifacts deemed "sensitive materials" continue to be properly stored in the climate controlled office building for preservation. The existing video surveillance system was upgraded in 2015 to an 8 channel DVR recorder to accommodate additional cameras in the future. Surveillance system is currently working well. Doyle Security Inc continues to provide both monitored entry and fire protection. Restoration of the office building continues. The museum complex parking lot and common driveways were reconditioned with asphalt courtesy of the Town to aid in safer passing/parking. The appointment of a new genealogist has been a great benefit to the overall museum progress.

EXHIBITS/EVENTS:

Exhibits 2016:

A display case in the museum building has been utilized for a new exhibit called, "World War II On the Home Front". This year, many new artifacts donated by local families of men and women who served were on display from the town archives pertaining to WWII. Visual and text resources were added to both educate and promote. In addition, more has been added to the museum containing additional Civil War artifacts from a local private collection.

The annual rotating exhibit, "Early School Life" was once again on display for 2016 due to the overwhelming positive feedback and interest from the local elementary school students. This exhibit has proven to be a vital tool of education and promotion of Bergen's history and has been considered to become a permanent exhibit. Because of this decision, additional information boards on local school history will be added.

The Harford Livery Museum had another successful year with over 260 visitors throughout the 2016 season.

ONGOING PROJECTS – 2017:

The Harford Livery Museum interior exhibits will continue to undergo its transformation adding more to the exhibits. Mannequins and more artifacts are slated to be included. The addition of trisided information panels consisting of various local historical topics will be added. The Historian's office building located in the complex will also continue undergo interior renovations as well to accommodate the acquisition of the remaining collection from Stone Church. Inventory of artifacts

from Stone Church Museum will continue. This process will be in accordance with the guidelines set forth by New York State.

MUSEUM DONATIONS/ANNUAL BUDGET – In addition to monies donated at festivals by museum visitors, the historical office received donations for genealogy research. The Town Board appropriated its annual budget once again in the amount of \$4,250 to be used on historical property, A7520.2 = \$1000 equipment, and supplies. A7520,4 = \$3540

GOALS-2017

- Seek more assistance from local media to aid in further interest in the Harford Museum Complex. The Suburban News and The Daily News publishing have been very supportive. Online and social media outlets such as Facebook, I love NY Travel Guide, and Tripadvisor will be utilized as well.
- 2. Continue to digitize inventory to better aid in preservation and input of data.
- 3. Continue to enlighten all the local schools and its teachers to the importance of local history and the materials available in the Bergen collections. The annual 4th grade field trip by students to the Harford Museum should be expanded and wish to investigate more interactive learning ideas.
- Ongoing duties in the historical office are festival and event planning. Looking into more involvement with the town's annual park festival with the possibility of events and demonstrations.
- 5. Continue to attend informative meetings/workshops provided by the Genesee County Historian's Agencies.
- 6. Continue exhibit transformation or additions on the Harford Livery & Museum Complex.

As Bergen Town Historian, I enjoy working with the Bergen community, the Genesee County Historians, and the Town Board of Bergen. All of their support and interest in preserving our local history is always greatly appreciated.

Respectfully Submitted,

Thomas M. Tiefel - Bergen Town Historian
