BOARD MEMBERS’ ITEMS FOR THE AGENDA:

REPORTS:

SUPERVISOR:

Meetings:

- Playground/Splash Park: I participated in a team’s meeting with the Clerk and Deputy Supervisor Grant with Denzak Recreation Design and their fundraising consultant on 9/24 to discuss potential strategy and funding opportunities for the construction of an inclusive playground at Robins Brook Park. The consultant has prepared a report of potential donors and grant sources to assist. Currently, we are awaiting preliminary options and costs for playground.
- Records Management: Teresa and I met with Bill, our computer consultant on 9/18 to show him the records we would like to electronically store and to discuss options for storage. Bill feels we have enough computer capacity to handle storage of all records we want to store electronically. Our next step is to determine if we will proceed with hiring a consultant to help us identify records that we can dispose of and what we need to keep.
- Park, Nature Center, and Recreational Area Codes/ Rules: Belinda, Joel, Teresa, and I met on 9/25 to review and prepare a draft town code and rules for Parks, Nature Centers, and Recreational Areas. A copy of both was provided to all board members. The plan is, after feedback, to submit the proposed

early 2026.

- Solar Farms: I attended a meeting with fellow town supervisors and members of the Genesee County Legislature on 9/10 to discuss the growth of solar farms in Genesee County. After that meeting the county provided a sample resolution for the Town to consider regarding opposing any further solar farms that take away prime farm land.
- Genesee County Destination Branding: I attended a meeting, hosted by the Genesee County Chamber, on 9/23 to review and provide feedback on tourism and branding for Genesee County.

Announcement/Information to Share:

- Town of Bergen's Fiscal Stress Score: Each year the NYS Comptroller's office reviews the financial information provided by municipalities and school districts across the state to see if they are experiencing fiscal stress. I am pleased to report that the Comptroller's report for 2024, released this past month, gave the town a ranking of no designation. This means we are not designated as being a municipality that has either a susceptible, moderate or significant risk of fiscal stress.
- Letter of Support: Upon request, I provided a letter of support for funding for the Village of Bergen to modernize their sewer treatment collection system.
- Support for Senate Bill S.8481: As agreed to by the board, I submitted a letter of support for Senate Bill S.8481. This bill, being introduced by Senator Gallivan, if passed and signed into law would allow municipalities to opt out of mandates and benchmarks established under the Climate Leadership Community Protection Act, including universal electrification requirements.
- 2026 Budget: We continue to work on the preliminary 2026 town budget for presentation to the board at our next meeting. The proposed preliminary budget does not include revenue from the library for payments toward building operation cost, nor payments from the Fire Department for snow plowing and mowing. The proposed budget reduces the tax rate per thousand from \$2.57 to \$2.46 and provides funding to achieve the objectives proposed. We have had to absorb a significant increase in NYS retirement and an over nine thousand dollars increase in workers compensation costs.

Employee Relations:

- Additional Benefits: Employees had the opportunity to meet with representatives from Colonial Voluntary Benefits to learn about the various benefits that they can pay for in addition to what the town provides.

Grants:

- New York State Justice Court Assistance Program (JCAP) Grant: The town Architect drew up floor plans for the addition of an attorney/client conference room within the confines of the current court gallery. The floorplans as well as other documents were given to town justice Vincent Pulcini who completed and submitted a JCAP grant to fund replacement of court room chairs and the construction of a 10 X 12 conference rooms for Lawyers to have privacy meeting with their clients.

Properties-Projects:

underground electric to the pavilion and new bathroom. The BOCES Construction Trades students completed the construction of the exterior walls and have begun to install them. Thompson Built has completed the foundation work for the bathroom

- Drews Nature Center- Students from the BOCES conservation class have been to the Drews Nature Center to see the lay out and to plan their projects. They anticipate being able to spend a half a day a week working on projects.

Updates from Previous Meetings:

- Library- The meeting to discuss the potential of the library contributing toward the building operations cost, with the Library Board President, Library Manager, and board member, had to be postponed at the request of the library. I have requested a meeting as soon as possible as this has an impact on the towns 2026 budget
- Fire Department: To date I have not received a response to my correspondence to the Fire Department regarding a memorandum of understanding outlining key components of any new lease. I have reached out to them to see if they are interested in meeting to discuss terms of the lease effective 1/1/2029. Time is of the essence as if we cannot reach agreement the Town needs to make alternative plans.

TOWN CLERK:

I received a quote for photography Services from Picture This Photography (John Zinter) to take new photos of the staff at the Town of Bergen for the website of \$75.00 plus \$40.00 per headshot taken. In addition to local town photos taken \$50.00 with a request of credit to the business for photos.

Spoke to Tom Tiefel and he had the lights in the museum go out approx. 3 went out and the lights are extremely old and inefficient. To replace the museum light bulbs would cost approx. \$430.00 to LED lights. 80% reduction in kilowatts being used with the new bulbs. Would there be a rebate from the village to replace the bulbs?

Deputy Clerk – I would like the boards permission to hire a Deputy clerk the current rate is \$16.00 per hour.

Went to Robins Brook Park on Friday, Oct. 3 with the Supervisor while the BOCES students were there setting the walls on the bathroom. Brought them lunch, they are doing a great job.

I met with AFLAC last week and we currently have one employee who has them, they would like to have a presentation with anyone who would be interested.

BBCA – Trunk or Treat is on October 18 – Would like \$250.00 for candy and pumpkins to participate.

TOWN BOARD: Nothing to Report

HIGHWAY: The road work has been completed. The County finished Creamery Road and hydroseeded. Currently, preparing the trucks ready for snow.

Robbins Brrok Park – The BOCES students spent all day 10/3/2025 putting up some of the bathroom walls up. They will be back for another full day on 10/15/2025. The water line has been completed and electric. The County Soil & Water Dept. hydroseeded at the park.

clearing the trails. Approx. 25-30 Students.

Matt Rossi from Geis Construction working on the OXBO construction, inquired about the dedication of the road to the new facility. Supervisor Haywood is looking into if the road is being dedicated.

COMMITTEES:

Buildings, Grounds, and Facilities (Cemeteries):

Parks: Bathroom update/Drew's Update/Town Code – previously reported.

Drew's Update – Previously reported.

Update on Park Rules – emailed to all Board members to review and discuss.

Local History & Museum: Nothing new to report.

Policy & Personnel: Annual review of Bergen Financial Processes and Procedures.

OLD BUSINESS: Traffic concerns at Route 19 and 33 – still waiting for NY State Department of Transportation.

It was brought to the attention of the Supervisor regarding the intersection of Swamp Rd And W. Sweden Rd. The Highway Superintendent spoke to the county and the are looking at trimming trees back to help with visibility.

NEW BUSINESS:

- Snow & Ice Agreement with NY State DOT (Department of Transportation).

A Local Law to Override the Tax Levy Limit Established in General Municipal Law 3-c

Be it enacted by the Town Board of the Town of Bergen as follows:

Section 1. Legislative Intent

It is the intent of this local law to override the limit on the amount of real property taxes that may be levied by the Town of Bergen pursuant to General Municipal Law §3-c, and to allow the Town of Bergen to adopt a budget for the fiscal year 2026 that requires a real property tax levy in excess of the “tax levy limit” as defined by General Municipal Law §3-c.

Section 2. Authority

This local law is adopted pursuant to subdivision 5 of General Municipal Law §3-c which expressly authorizes the Town Board to override the tax cap by the adoption of a local law approved by vote of sixty (60%) of the Town Board.

Section 3. Tax Levy Limit Override

The Town Board of the Town of Bergen, County of Genesee, is hereby authorized to adopt a budget for the fiscal year 2026 that requires a real property tax levy in excess of the amount otherwise proscribed in General Municipal Law §3-c.

Section 4. Severability

If any clause, sentence, paragraph, subdivision, or part of this Local Law or the application thereof to any person, firm or corporation, or circumstance, shall be adjusted by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or part of this Local Law or in its application to the person, individual, firm or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5. Effective Date

This local law shall take effect immediately upon filing with the Secretary of State.

RESOLUTION OPPOSING LARGE-SCALE SOLAR PROJECTS THAT OVERRIDE LOCAL LAND USE AUTHORITY AND IMPACT AGRICULTURAL LAND IN GENESEE COUNTY

WHEREAS, current and planned large-scale solar energy projects are significantly altering land use patterns and the rural character of Genesee and surrounding Counties; and

WHEREAS, Genesee County, as New York State's fourth largest agricultural producer, has already experienced the conversion of a substantial portion of its farmland to industrial-scale solar energy infrastructure; and

WHEREAS, this accelerating trend results in the permanent loss of prime agricultural land, placing long-term food production capacity, rural economic stability, and environmental stewardship at increasing risk; and

WHEREAS, developers of large-scale solar projects frequently seek waivers from the State of New York in order to bypass County, City, Town, and Village comprehensive plans, zoning laws, and other locally enacted land use regulations, including those adopted in accordance with New York State Town Law and other applicable statutes, meaning such projects often cannot proceed without overriding or circumventing local legal authority; and

WHEREAS, these projects are consistently sited on highly productive farmland that has historically supported the local economy, food security, and the rural heritage of the region; and

WHEREAS, the conversion of such land to industrial energy production represents an irreversible loss of valuable agricultural resources; and

WHEREAS, the use of state level siting mechanisms to override or circumvent local laws and planning documents, including comprehensive and agricultural protection plans, effectively strips municipalities and residents of their right to self-determination in land use matters; and

WHEREAS, such actions undermine the authority of local governments and erode the principle of "home rule," threatening democratic participation and the ability of communities to plan for their own futures; and

WHEREAS, Article XIV, Section 4 of the New York State Constitution declares that it is a State policy to conserve, protect, and encourage agricultural lands, mandating the legislature create adequate protections for agricultural lands, and

WHEREAS, [Municipalities] have an interest in application of Article 25-AA of the New York State Agriculture and Markets Law, which states:

Declaration of legislative findings and intent . . . the declared policy of the state [is] to conserve, protect and encourage the development and improvement of its agricultural land for production of food and other agricultural products. It is also the declared policy of the state to conserve and protect agricultural lands as valued natural and ecological resources which provide needed open spaces for clean air sheds, as well as for aesthetic purposes.

The constitution of the state of New York directs the legislature to provide for the protection of agricultural lands. It is the purpose of this article to provide a locally initiated mechanism for the protection and enhancement of New York State's agricultural land as a viable segment of the local and state economies and as an economic and environmental resource of major importance.

projects that override or disregard local land use policies, zoning regulations, and comprehensive plans;

BE IT FURTHER RESOLVED, that this opposition is based on the projects' clear and irreversible harm to agricultural lands, their circumvention of local laws, and the broader threat they pose to the integrity and autonomy of municipal planning authority in Genesee County;

BE IT FURTHER RESOLVED, that [Municipality] supports legislative efforts to restrict the development of large-scale solar projects on prime soils and soils of Statewide significance, and demands that the Farmland Protection Working Group created by the Renewable citing law be immediately convened to address the issue of the loss of a critical mass of farmland in Genesee County,

BE IT FINALLY RESOLVED, that [Municipality] joins with Genesee County in demanding that all current and future solar energy projects comply fully with all applicable local laws, zoning ordinances, and adopted land use plans; and further urges the State of New York to uphold the principles of home rule as guaranteed by Article IX of the New York State Constitution, affirming the right of local governments to control land use and development within their jurisdictions.

Adopted this 14 day of October, 2025 by *The Bergen Town Board, Town of Bergen*.

A RESOLUTION IN SUPPORT OF CONGRESSMAN NICK LANGWORTHY'S ENERGY CHOICE ACT (H.R. 3699, S. 1945) AND IN OPPOSITION TO GOVERNMENT-MANDATED NATURAL GAS BANS

WHEREAS, affordable and reliable energy is essential to the health, safety, and economic prosperity of New York families, businesses, and communities; and

WHEREAS, natural gas remains a dependable, cost-effective, and clean-burning energy source used by millions of New Yorkers to heat their homes, cook their food, and power their businesses; and

WHEREAS, in 2019, New York State enacted the Climate Leadership and Community Protection Act (CLCPA), which mandates aggressive emissions reductions and serves as the foundation for sweeping energy restrictions, including efforts to phase out natural gas; and

WHEREAS, building on the CLCPA, Governor Kathy Hochul and the New York State Legislature in 2023 enacted provisions in the state budget banning natural gas and other fossil fuel hookups in most new residential and commercial buildings, effective 2026 for smaller buildings, and 2029 for larger buildings, thereby eliminating consumer choice and limiting access to affordable energy; and

WHEREAS, Governor Hochul has publicly supported these bans and related measures as part of her administration's climate and energy agenda, despite widespread concerns that such mandates will increase costs, strain grid reliability, and restrict energy diversity; and

WHEREAS, these top-down policies undermine affordability, threaten reliability during peak demand, and strip away the freedom of consumers and businesses to choose the energy sources that best meet their needs; and

WHEREAS, Congressman Nick Langworthy of New York and Senator Jim Justice of West Virginia introduced the Energy Choice Act (H.R. 3699, S. 1945), federal legislation that ensures state and local governments cannot restrict consumer access to natural gas and other affordable energy sources, thereby protecting freedom of choice for New Yorkers and all Americans; and

WHEREAS, the Energy Choice Act would safeguard households, small businesses, hospitals, farmers, and manufacturers from harmful government overreach and preserve access to an "all-of-the-above" energy strategy that strengthens reliability and affordability;

NOW, THEREFORE, BE IT RESOLVED, that the Town of Bergen strongly supports the Energy Choice Act as introduced by Congressman Langworthy (H.R. 3699) and Senator Justice (S. 1945) and stands firmly opposed to New York State's natural gas bans, the CLCPA-driven restrictions, and other state energy mandates that eliminate consumer choice; and

BE IT FURTHER RESOLVED, that the Town of Bergen urges Congress to pass the Energy Choice Act to defend consumer choice, protect energy affordability, and preserve reliable access to natural gas for New Yorkers; and

BE IT FURTHER RESOLVED, that copies of this resolution be sent to Congressman Nick Langworthy, Senator Jim Justice, the New York Congressional delegation, Senators Chuck Schumer and Kirsten Gillibrand, Governor Kathy Hochul, and leadership of the New York State Legislature.

A Local Law to Override the Tax Levy Limit Established in General Municipal Law 3-c

Be it enacted by the Town Board of the Town of Bergen as follows:

Section 1. Legislative Intent

It is the intent of this local law to override the limit on the amount of real property taxes that may be levied by the Town of Bergen pursuant to General Municipal Law §3-c, and to allow the Town of Bergen to adopt a budget for the fiscal year 2026 that requires a real property tax levy in excess of the “tax levy limit” as defined by General Municipal Law §3-c.

Section 2. Authority

This local law is adopted pursuant to subdivision 5 of General Municipal Law §3-c which expressly authorizes the Town Board to override the tax cap by the adoption of a local law approved by vote of sixty (60%) of the Town Board.

Section 3. Tax Levy Limit Override

The Town Board of the Town of Bergen, County of Genesee, is hereby authorized to adopt a budget for the fiscal year 2026 that requires a real property tax levy in excess of the amount otherwise proscribed in General Municipal Law §3-c.

Section 4. Severability

If any clause, sentence, paragraph, subdivision, or part of this Local Law or the application thereof to any person, firm or corporation, or circumstance, shall be adjusted by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or part of this Local Law or in its application to the person, individual, firm or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5. Effective Date

This local law shall take effect immediately upon filing with the Secretary of State.

WHEREAS, the Town Board has met at the time and place specified in the notice of public hearing on the Preliminary Town Budget for 2026 and heard all persons desiring to be heard thereon.

NOW, THEREFORE, BE IT RESOLVED:

Sec. 1. That the Preliminary Budget for 2026, as amended, and as hereinafter set forth and filed by the Supervisor in the Office of the Town Clerk be adopted as the Annual Budget for the Town of Bergen for the fiscal year commencing January 1, 2026, and ending December 31, 2026. That the several amounts stated be and are appropriated for the objects and purposes specified, that all amounts stated in the summary as "Amounts to be raised by Tax" be and are the tax levy for the year 2026, and that salaries of elected officers as stated shall be fixed at the amounts shown effective January 1, 2026.

Sec. 2. That the Bergen Fire Services Contract as attached to the 2026 Bergen Town Budget is approved.

**INTERMUNCIPAL AGREEMENT
PLOWING/MOWING SERVICES
BETWEEN BERGEN FIRE DEPARTMENT AND TOWN OF BERGEN
FOR PROPERTY AT 10 HUNTER STREET, TOWN OF BERGEN**

- WHEREAS, there exists a lease between the Bergen Fire Department (landlord) and Town of Bergen (tenant) for property at 10 Hunter Street, Bergen; and
- WHEREAS, the lease does not address the Town of Bergen's practice of mowing the north and east side of the building, nor does it address the Town of Bergen's practice of plowing the driveway and south/east parking lot used by the Bergen Fire Department; and
- WHEREAS, the Bergen Fire Department and Town of Bergen desire to enter into an agreement for the mowing and plowing of these areas for reasonable compensation outside of the Lease agreement provisions.

NOW THEREFORE BE IT AGREED:

- Section 1. That the Town of Bergen will provide mowing and plowing services to the Bergen Fire Department for the entire property at 10 Hunter Street.
- Section 2. That the cost of these mowing and plowing services will be \$13,508 for the calendar year 2026 payable in two installments of \$6,754 each due on April 1, 2026 and October 1, 2026 respectively.
- Section 3. That the cost of these mowing and plowing services will be \$13,873 for the calendar year 2027 payable in two installments of \$6,936.50 each due on April 1, 2027 and October 1, 2027 respectively.
- Section 4. That the cost of these mowing and plowing services will be \$14,250 for the calendar year 2028 payable in two installments of \$7,125 each due on April 1, 2028 and October 1, 2028 respectively.
- Section 5. That this agreement does not alter in anyway the existing lease agreement between the Bergen Fire Department and the Town of Bergen for property at 10 Hunter Street, Bergen.
- Section 6. That either party may terminate this agreement at any time with 60 days written notification to the other party.

Section 7. That in the event of termination by either party, the cost of services will be reconciled through the end of the month of termination and the Town of Bergen will bill the Bergen Fire Department for any amount remaining due OR refund any amount that has been paid beyond the end of the month of termination.

Section 8. That this agreement takes effect at 12:01 am on January 1, 2026.
